RoHS and REACH declaration of conformity

Dear Sir or Madam,

s.e.t. electronics GmbH hereby declares that, according to the current state of knowledge, the delivered products are produced RoHS-compliant and the components used comply with directive 2011/65/EU and extension 2015/863 according to customer-specific specifications.

Based on the information obligation according to Article 33 of the REACH Regulation (European Regulation (EC) No. 1907 / 2006), we can confirm that s.e.t. electronics GmbH will not supply you with electronic assemblies containing substances listed in the so-called ECHA "candidate list" (SVHC substances of very high concern) that exceed the limit value in higher concentrations than 0.1% by weight.

As soon as we have such information, we will provide it to you immediately.

With kind regards

i.V.

i.V. Gunter Vogel
Quality Management Representative
